## **Concentrating On Victory In Disaster**

Masks on, doors closed

Restless energy, with life indisposed

I read my bible, I do my school

I want to go out, but I am no fool

I talk to my mother, my brother and dad

I play my Nintendo to make me glad

I know my God will hold my hand

In Christ be fine, so that's plan

The future seems bleak, though my goals be many

To be a Nurse, I'd give any

Another is to follow my Lord

My soul I cannot afford

Front line warriors, and healers too

Nurses I respect, and gratitude due

The wear PEE as their attire

Feeling the days, their souls tire

Was it eight or eleven mL?

They triple check before giving a pill

Future mirror, my scrubs astound, ready for disaster while making my rounds
