Murray Library contributes to my success...

Because there are so many resources, books, and wonderful Librarians and employees to help

By being a comforting, welcoming, and supportive space for me throughout the school year

By giving me a good place to study as a commuter

With friendly faces, a safe study place, willing and available resources and cozy rooms

Through providing all my extra books related to my courses

By providing the resources I need to further my knowledge and creating a quiet place to concentrate and study

The resources I appreciate most from Murray Library are...

Ability to ask questions and have a place to study

Many helpful books and Primo which are easily accessible

The areas of the library dedicated to help students focus in quiet

The quiet and safe atmosphere

The cozy study spaces, the café, and the article databases

Their openness to help

I love Murray Library because...

It gives me a space to study peacefully and comfortably

It has vast knowledge and warm atmosphere and a lot of guidance available

It provides a comfy and conducive study environment and Library staff are always helpful and kind

Of all the fun activities that they hold like trivia & golf

The people at Murray Library are always there to help and care about our education

The selection here is awesome
