Belief

William Stowman (Professor of Trumpet and Chair of the Department of Music)

belief is knowledge that has been
tucked in at night
comforted
reassured

belief is the embers of a fire
that outlast the night's chill
to warm us again
in the morning

belief gathers
never shuns
it makes room for hope
and welcomes love

belief is a compelling tale that reveals a path
an ideal
an acceptable way that
affirms direction

taught or discovered
the answer lies within
believe
and you too will know

upon ancient
paths
