Sharpening Intellect | Deepening Christian Faith | Inspiring Action

Messiah University is a Christian university of the liberal and applied arts and sciences. Our mission is to educate men and women toward maturity of intellect, character and Christian faith in preparation for lives of service, leadership and reconciliation in church and society. This content is freely provided to promote scholarship for personal study and not-for-profit educational use.

Almost as soon as this local tradition has begun,
it is over and the
townsfolk make their way back to
the fire hall to
mingle and
to gather for
donuts and
hot dogs and
conversation.
I follow in anticipation
and make new friends while
finding old ones.

And so, for this one crisp Autumn evening,
the world is at peace
and everything is OK—
if only for a few brief moments in this
small town in
America—

Brownstown, USA.
