### Sharpening Intellect | Deepening Christian Faith | Inspiring Action

Messiah University is a Christian university of the liberal and applied arts and sciences. Our mission is to educate men and women toward maturity of intellect, character and Christian faith in preparation for lives of service, leadership and reconciliation in church and society. This content is freely provided to promote scholarship for personal study and not-for-profit educational use.

# To The Space Between Us

*Becca Nicolson (Studio Art 2026)*

The holy space between us  
Transatlantic call  
Every conversation is completeness  
To me  
And there's still shiny faces around and thin bodies  
And beautiful strangers everywhere I go  
I know  
Nothing is lost to me  
Many things are found in fact  
But there's a place to rest inside you  
There's a room and in the room sun comes in through the window so it's warm  
There's home between us  
No space closed that doesn't need to be crumbled  
And too  
There is no empty room  
But only ones we furnish with words and  
The images of the house we  
Are building in our hearts  
Home  
The space between us  
Comforting also  
To close, close  
Knowing we always have open windows here  
And maybe it will be in Rome  
This house  
These beauties  
This sun  
Our rest  
The place we go  
Back to  
Or California or somewhere else you can see the sun  
I'm realizing it might not matter so much  
Where we go  
Because everywhere  
We are together  
The home will grow  
From the space between us.
