Mission Church and Extension Church Pastors

As its awareness grew, the brotherhood's vision led it to new witness in new areas. In 1878 the General Council was called to share in the expanding witness to Kansas; in 1885 to Michigan; in 1886 to Ontario; 1887 in Ohio; in 1892 to Arizona. For a period, our vision took us into isolated communities in the mountains of Pennsylvania and into Virginia, Kentucky, and Tennessee. In another direction, there was an active vision for city missions. Present strategy includes the planting of new churches a little beyond clusters of Brethren in Christ congregations.

Records beginning with 1918 of the Home Mission Board's assistance to congregations show that about 100 units have received aid from the brotherhood, including both financial and administrative assistance. More than 40% of present Brethren in Christ congregations have had a history of brotherhood assistance through the Board. The growth of the church during the first half of the twentieth century was significantly dependent upon this missions activity.
